

# Podmoskovnye Vechera

This is a very well known song, to Russians and Americans alike. Traditionally sung in a rather dramatic ballad style, we bring a slightly more jazzy feel to this classic piece.

Ne slyshny v sady daje shorohi

VSe zdes zamerlo do utra

Esli b znali vy, kak mne dorogi

Podmoskovnye vechera.

Rechka dvijetsya i ne dvijetsya,

Vsya iz lunnogo serebra.

Pesnya slyshitsya i ne slyshitsya

V eti tihie vechera.

A rassvet yje vse zametnee...

Tak, pojaluista, bud dobra,

Ne zabud i ty eti letnie

Podmoskovnye vechera!

Not even a whisper is to be heard in the garden,

Everything has calmed down until dawn.

If you only knew how dear they are to me,

The evenings near Moscow!

The river is moving, but yet it is not.

All made of the moon's silver.

A song is heard and yet it is not heard

In these quiet evenings.

Dawn is getting closer.

So, please, be so kind:

don't you forget

These summer evenings near Moscow.
