

## Concert in Alexandria

Contributed by Allan Reko  
Tuesday, 29 April 2008

The concert in Alexandria was wonderful. We drew about 50 or so people; not bad for the first concert in the area! Thanks go out to Elise for arranging the concert, as well as First Lutheran Church for having us. Acoustics were fantastic, and the crowd was involved. We always love performing for new crowds, and this was no exception.

Here's hoping that we will grace the stage there again!
